Subject: ROSE TREE COTTAGE

Dear Mayor Bogaard,

It has come to my attention that the courtyard property where the Rose Tree Cottage stands has been sold. The Rose Tree Cottage is one of the best landmarks of Pasadena! You must find a way to keep it or at least assist them in moving to another quaint location. One of the reasons I still drive out to Pasadena is because of the historic, uniqueness of the town. The Rose Tree Cottage has been one of my favorite places to have tea with my family and friends. I am planning to take my young daughter there when she gets a bit older. I urge you to consider how many people will be thoroughly disappointed if there is a drastic change.

Sincerely,

Marlena Thomas
